

Wyoming Valley Sports Dome  
2013-14 Indoor Girls HS Lacrosse League Rules

The league will follow US Lacrosse/PIAA high school rules unless otherwise stated below:

1. All games will be 43 minutes long with a running clock, each half is 21 minutes, and halftime is 1 minute unless extended by agreement of the coaches. Games start and end on a central clock. There will be no time added for a late start or extended half time.
2. There will be a maximum of 6 field players and 1 goalie per team on the field at once.
3. A player may be rostered and play for only one team. Exception: goalies may play for another team as a guest player.
4. A 4'x4' shot blocker may be used in lieu of goalie if no rostered player or guest goalie available. If a shot blocker is used and a live ball comes to rest in the goal circle, a player from the defending team will be allowed to enter the goal circle as a "deputy" to take possession of and the ball for a clear. NOTE: any defender that enters in the goal circle *prior* to the ball coming to complete rest will be penalized with goal circle violation.
5. The half field line will be the restraining line.
6. Each team must keep two offensive players and three defensive players including the goalie behind the restraining line.
7. Each half will start with a draw. For the draw, each team will place one field player behind each sideline with the remaining players lined up behind goal line extended.
8. After a goal is scored, the game will resume with a goalie clear.
9. The back curtains are the end lines. Balls or players that touch the curtain are considered "out".
